Allocation of Qualification Slots

An athlete may only obtain a maximum of one qualification slot. The qualification slot is allocated to the NPC not to the individual athlete. In case of a Bipartite Commission Invitation the slot is allocated to the individual athlete not to the NPC.

Maximum Quota Allocation per NPC

An NPC can be allocated a maximum of forty-five (45) male qualification slots and thirty-five (35) female qualification slots. Exceptions may be granted through the Bipartite Commission Invitation Allocation method. If an NPC is unable to use all of the allocated qualification slots in a given gender, the unused slots cannot be transferred to the other gender. They will be reallocated in the respective gender to other NPCs through the Bipartite Invitation Commission Allocation method.

Athlete Eligibility

To be eligible for selection by an NPC, athletes must:

- hold an active World Para Athletics Athlete Licence for the 2020 season;
- have achieved one (1) Minimum Entry Standard (MES) performance at a World Para Athletics Recognised Competition (IPC Competition, WPA Sanctioned Competition, or WPA Approved Competition) for each of their respective events between 1 October 2018 and 2 August 2020 in accordance with the IPC Athlete Licensing Programme Policies valid for the

2018-2020 seasons – exceptions may be made via the Bipartite Commission Invitation Allocation method; and

- be internationally classified with a ‘Confirmed’ sport class status or a ‘Review’ sport class status with a review date after 31 December 2020.

To be eligible for the relay event, athletes must:

- be entered into an individual event.

Maximum Entry per NPC

An NPC can enter a maximum of three (3) eligible athletes per Individual medal event provided each has achieved at least a MES performance in that event.

NPCs can enter a maximum of one (1) team in the relay medal event.

NPCs may enter a maximum of six (6) eligible athletes in each marathon medal event. A maximum of three (3) athletes per NPC may enter each marathon medal event as their only event.

NPCs may enter an eligible athlete in an unlimited number of individual medal events as long as the athlete has achieved a MES performance in each respective event.

QUALIFICATION SYSTEM

Qualification slots will be allocated as follows:
